No report. To increase membership, all are encouraged to "bring a friend" to a board meeting.

Old Business:

WCCB Office—Dennis Clark reported that the office is organized with regard to pictures, by-laws, constitution, show programs, financials, meeting minutes. He will provide the commodore with a "to-do" list, such as update constitution and by-laws.

Boat Show:

1. All permits are in place
2. Still expecting sponsorship money from some sponsors
3. Reception/dinner menus completed
4. Docks: Dennis Clark reported
 - a. Dock committee scheduled to meet on May 7, 2016 at 10 AM where the docks are stored at the FLBM to discuss needs and plan assignments.
 - B. Transformation of seven docks to floaters for swim area
 - i. Pictures of the prototype (created by Craig McMinn) circulated to Board
 - ii. Cost per dock will be approximately \$495 per dock or \$3,500 for all seven
 - iii. Cost of adjustments needed for trailers: \$500
 - C. Discussion followed including the following: safety for those involved with installation/removal of docks for show; decrease in the amount of firemen needed along with decrease in amount donated to the fire company for their assistance; stronger effort to market the Dock Fund—emails, website, donation jar at show.

Motion: A motion was made to upgrade the docks and trailers as presented, along with focused fund raising efforts for the Dock Fund to prepare for the future.
